

# WARNING

There is a **KILLER** on the loose! Several monkeys have been found in your area that have been **SHOT** and even **KILLED** by someone in your area.

Pellet guns can not only maim and kill animals, but can also injure and kill **people**. Do you feel safe knowing that at any moment, **your pets, loved ones, staff or you** could be shot and even killed by a stray pellet?

In Accordance with the **Firearms Control Act, Act 60 Of 2000, Section 120,** paragraph 3b) ***“discharge or otherwise handle a firearm, an antique firearm or an airgun in a manner likely to injure or endanger the safety or property of any person or with reckless disregard for the safety or property of any person;”*** Paragraph 7) ***“It is an offence to discharge a firearm, an antique firearm or an airgun in a built up area or any public place, without good reason to do so.”***

If you know who that person is, do the **RIGHT** thing, do your civic duty and **REPORT** them and lay a charge at your nearest police station and quote the above act. Don't wait until it's too late.
